A More Sustainable Choice

FROM ECO-FRIENDLY PROCESSES TO CERTIFIED WATER-EFFICIENT PRODUCTS, WE'RE DEDICATED TO A GREENER, MORE RESPONSIBLE FUTURE.

Doing our part

Aqualla is dedicated to sustainability, offering water-efficient products that are rated and certified by the Unified Water Label Association. Our taps and showers are designed to use less water without compromising functionality.

Sustainability is a core value for us as we drive a transformative journey in 2024 and beyond. Join us in preserving resources for a more sustainable future, one tap at a time.

Products

Our commitment to sustainability is evident in our products. Aqualla Design Collection products are registered with the Unified Water Label Association and certified as water-efficient. As suppliers of water-delivering products, we prioritise sustainability without compromising your experience.

By choosing Aqualla products, you're making a responsible choice that saves water and energy and contributes to a greener planet while saving you money.

Processes

Our commitment to sustainability extends to brochure production, where we offset carbon emissions through World Land Trust, helping protect critically threatened tropical forests.

We prioritise eco-conscious practices with digital brochures, QR codes, and eco-friendly packaging, reducing our environmental footprint.

People

We champion the well-being of our team with regular Health and Well-being initiatives aimed at promoting physical and mental health. Trained, in-house Mental Health ambassadors create a safe and open environment for our employees.

We foster a positive, collaborative workplace culture, actively engaging in local charity and community initiatives to promote sustainability and make a positive impact.

From **design, marketing**
and **logistics**, to **sales,**
customer service & support.

Introduction

Drawing on many years
combined experience in the
industry, Aqualla offers a unique
range of bathroom components,
blending distinctive designs
with practicality for both classic
and contemporary living.

To demonstrate our commitment to our
customers, we offer a 12 year warranty
on all of our chrome taps and showers,
and a 5 year warranty on all of our towel
warmers, radiators and mirrors.

This brochure is designed to give you an
overview of our Lifestyle Portfolio, and we
have included a water drop beside each tap
and shower product, indicating the minimum
working pressure required.

For Example:

- 0.5 0.5 bar is equal to 5 metres
- 1.0 1.0 bar is equal to 10 metres
- 2.0 2.0 bar is equal to 20 metres

A bar being equivalent to the vertical distance
measured in metres from the base of the
storage tank to the tap or shower head.

PRESSURE KEY

0.2	Low Pressure
0.3 - 1.0	Medium Pressure
Above 1.0	High Pressure

Aqualla Brassware Ltd will make a discretionary decision to either replace or repair, at their own expense, defects in goods arising from faulty workmanship provided that the Buyer will have given written notice to the Seller as soon as is reasonably practical. Aqualla Brassware Ltd's liability in respect of any defect will be limited to the repair or replacement of the goods in question and if damage or loss occurs to the goods in transit, the Seller shall repair or replace the specified goods provided that notification is made in writing within seven days of the goods being dispatched from its premises.

Policy of Continuous Improvement

Aqualla Brassware Ltd will continually strive to achieve the highest level of quality and improvement of products.

Aqualla Brassware Ltd reserves the right to alter or amend any product specification without prior notice to its customers. Colours are as accurate as the printing process will allow.

Payment and Ownership

The goods shall remain the property of Aqualla Brassware Ltd until the Buyer has settled the invoice in full.

Aqualla Brassware Ltd will be entitled to repossess the goods and enter onto any premises where the goods may be located if the Buyer breaches the contract in any way. This includes acts of insolvency, bankruptcy, attempts to make arrangements with any creditors or any petition passed to a Receiver or a Court.

If Aqualla Brassware Ltd is placed in any situation where it has to repossess its products, the Buyer will be liable to pay the difference between the price of the goods and their value on repossession.

Should Aqualla Brassware Ltd be entitled to repossess goods and unable to do so for any reason, the Buyer will pay to the Seller the full purchase price as per their invoice.

Any discount offered to the customer is detailed on the invoice.

Product Care

Aqualla recommend that you do not use any abrasive sponges or scouring agents for cleaning. We also advise that you do not use cleaning agents containing abrasives such as solvent or acid, limescale removers, household vinegar and cleaning agents with acetic acid in them.

Damage to the surface and underlying material resulting from improper treatment is not covered by warranty.

General

No corrosive substances are to be placed into Aqualla Aromawell as this could be hazardous to your health.

Proof of purchase will be required for all warranty claims.
